Game Preview

Pickering Town v Retford FC

NCEFL Premier Division

Saturday sees us return to Mill Lane when we welcome Retford FC for their first ever visit to the ground.

The last two games have seen us get our first away points of the season - the previous four league games coupled with an FA Cup tie played away had seen us lose all five games with 1 goal scored and 15 conceded, so to come away with four points from the two games has been welcome improvement, although it is tinged with a little disappointment as last Saturday's game saw us two goals to the good with two early goals but then concede two late goals to only draw the game.

Pickering's opponents today Retford FC were first formed in the 2015-16 season, they gained promotion last season when winning the United Counties League Division 1 title, but the FA's allocation of clubs in the summer saw them transferred back to the NCEFL, where they had played previously in the seasons 2021-22 to 2023-24.

Also this season has been their first time in the FA Cup - they won their Extra Preliminary Round tie 2-0 away at Skegness but then succumbed in the next round when losing at home 1-0 to Northampton ON Chenecks with the winning goal coming in the 94th minute.

They also like us remain in the FA Vase having beaten Euxton Villa 6-5 on penalties in the First Qualifying Round, after the game had finished 2-2 with Retford scoring an equaliser in the 91st minute and then winning 3-2 away at Uppermill in the 2nd Qualifying Round.

In the league Retford are presently placed sixth having played 10 games - 6 home and 4 away with 16 points gained - goals 15 for and 14 against.

Their away form is considerably better than at home - remaining unbeaten in the 4 games played away with 3 wins and 1 draw - the victories have come against - Campion 2-1, Parkgate 3-0, Frickley Athletic 2-0 and the draw 2-2 against neighbours Retford United.

Their record at home reads W1 - D3 - L2, with their only victory coming when they beat Worsbrough Bridge 1-0 and so ending Worsbrough's unbeaten start to the season in the league, the two losses have come against the top two sides in the league at present - Dearne & District 3-1 and Bottesford Town 4-0, with the 3 draws coming against Handsworth 1-1, Thackley 2-2 and 1-1 versus Golcar United last Saturday.

Iren Wilson is their leading goalscorer with 7 goals - 5 of those coming in the league, talking about goalscorers, our own Souleymane Colibaly known to us as Souley continues to knock the goals in, carrying on his form from last season he now has 10 goals to his credit this season from 9 games played as he missed the first 4 games through injury.

About PST Sport

PST Sport is a leading artificial grass company with over 12 years' experience building exceptional sports surfaces. Our artificial grass pitches allow players to perform at optimal levels all year round, in all weathers. With a reputation for excellence, superior quality and a proven track record for delivering world-class facilities, we are the number one choice for artificial grass pitch installations. Whether you require a single use pitch for GAA, soccer, rugby, hockey, or a multi-sport pitch, we will work with you to implement a complete 'design and build' solution to deliver a state-of-the-art facility.

From The Dugout

It has been nice getting a training session in and the lads having a bit of breather from midweek games, especially with a really busy few weeks to come, where we will play 9 games across 5 weeks!! This has given us the opportunity to prepare really well for the upcoming fixture against Retford who have started off the season really well and currently sit just outside the playoff positions.

We know the game is going to be a tough test but it's nice to be back at home after back to back away games and with the help of your support we will do everything we can to go and get another 3 points.

Thanks
Simon Heslop

Programme Ramble

Barton Town's run in the FA Cup continues, after beating NPL Division 1 Midlands side Boldmere St Michaels last Saturday 3-1, their reward for reaching the 3rd Qualifying Round is a home tie versus National North League side Chorley.

Another side from Step 5 to have reached the 3rd Qualifying Round is SE Dons from the Southern Counties East League Premier Division after play-off success last season - SE Dons were only formed in 2014 and this is their first time in the competition, their reward for beating Step 3 - Southern Premier Division South side Chichester City 3-2 in the last round is another away draw at Weymouth who play in the Southern League Division 1 South (Step 4)

Staying on the FA Cup theme Redcar Town who also entered the competition for the first time this season finally saw their run in the competition come to an end when beaten by Darlington 4-2, but this was not after giving the National North league side a scare by coming back from a goal down to lead 2-1 at one stage - this game like ours last season at the same stage of the competition was televised live on BBC i Player.

NCEFL Chat - They say football is a funny old game and as we all know managers come and go at all the levels of the game, only recently both Frickley Athletic and Keighley Town have parted company with their respective managers in Martyn Woolford and Des Hazel - interestingly both these sides have played each other in the League Cup this week, but what's even more interesting as I am writing this article on Wednesday afternoon, Frickley have just announced their new manager as Lee Morris, who has been manager at Worsbrough Bridge for nearly 3 years - Morris got Worsbrough promotion last season also reaching the SHFCA Cup Final and are presently placed fourth in the league, whilst Frickley are second bottom - what did I say "funny old game" Keighley are yet to name their new manager.

There is full complement of league fixtures this weekend, with two games having been played Friday evening and the others on Saturday afternoon.

Probably the pick of the matches is the Retford United versus Dearne & District fixture (3rd v 1st)

When you look at the league table you probably wouldn't have predicted at the beginning of the season the teams placed at the top at present - The top four consists of the two clubs promoted from the first division - also Retford United who again are a promoted side but from the United Counties League and then transferred to the NCEFL premier by the FA allocation in the summer and then with no disrespect to Bottesford Town who are second - last season they were in serious danger of relegation until they won their final game versus now promoted Beverley Town - comparing their record at present with 9 games played and also funnily enough at a similar date they have 21 points this season - having scored 26 goals and conceding 5 - at the same stage last season with 9 games played they had only 7 points on the board with 11 goals scored and 22 conceded.

I do understand there is a long way to go and I am sure there will be many twists and turns to come, but I do feel the league seems to be very open this season.

Pickering Town Club History

Pickering Town FC, founded in 1888, spent nearly 80 years playing local football before joining the Yorkshire League in 1972. The club quickly progressed through the divisions, later becoming members of the Northern Counties East Football League (NCEFL).

The Pikes won the NCEFL Division 2 title in 1987–88 and claimed their first major senior trophy in 1990–91 by winning the North Riding County Cup.

Promotion to the NCEFL Premier Division followed in 1991–92, and the club narrowly missed out on the title the next season. Pickering also made its FA Cup debut in 1993–94 and reached the FA Vase quarter-finals in 2005–06.

The club won the North Riding Senior Cup again in 2012–13. After finishing as NCEFL Premier Division runners-up in 2015–16 and 2016–17, Pickering earned promotion to its highest level of senior non-league football. However, difficult seasons followed, including two curtailed campaigns during the COVID-19 pandemic and relegation from the Northern Premier League in 2021–22.

Since returning to the Northern League and then the NCEFL Premier Division, the club has faced several relegation battles, finishing second bottom in 2023–24 but retaining its place. The following season brought improvement, with Pickering finishing 10th after briefly challenging for the play-offs. Off the pitch, Mill Lane has been significantly developed with floodlights, seated stands, covered areas and improved changing facilities.

The club is also investing in its future through a scholarship programme, junior teams and the formation of a women's team competing in the North Riding Division 1 League.

Pickering Town Profiles

1 Goalkeepers

Luke Jackson - Luke has joined the club on a permanent basis this season after signing for the club on a dual registration last season from Bradford PA,. Previously Played for Huddersfield Town and Sheffield Wednesday academy

Toby Beard - Toby is a young keeper who came through the ranks at Scarborough Athletic, Toby has also made appearance for the Pikes U18 youth FA Cup team.

3 Defenders

Oscar Shaw - Oscar has joined us on a permanent basis this season after being released by York City in the summer, Oscar spent some time with the club last season on a dual registration basis whilst being at York City

Connor Avison - Connor is a young powerful central defender, who came through the Scarborough Scholarship programme. In his third season with the club and has been named captain of the side following a superb season last year.

Dom Weston - Dom is now in his second season with us after joining us last season after his release from Sheffield Wednesday and has become an important member of the squad

Jamie Thornton - Jamie is a very composed central defender and now in his 6th season with the club after joining us in the 2021-22 season after being released by Leeds United Academy. Jamie is also equally at home playing in midfield

Wayne Brooksby - Wayne is a vastly experienced player and has played for the likes of Guiseley, Harrogate Town and more recently Scarborough Athletic. Wayne is often the driving force of the side and is extremely competitive. A shining example for the younger players to learn from who's levels and expectations are very high both in training and games..

Marshall Nock - Another young defender who joined us last season from Bridlington Town. A tall, competitive player who can operate in a number of positions and who has now established himself in the team.

Seb Holowkiewicz - Seb joins us this season from local football having done well in pre season. A competitive full back who can play on either side who will provide good competition in those areas this season.

Alfie Jackson - Young left sided player who joins us this season having broken into the Whitby Town first team last season. Looking to break into and establish himself in the side this year.

Blake Drury - Central Defender - Blake first joined us in the 2023-24 season. He has previously been at York City and played for Scarborough Reserves. He is just making his way back from an injury that prevented him from playing last season .

3

Midfielders

Simon Heslop - Simon is a massive signing for the club. Captain at Bridlington Town last year he has years of football league and national league experience. He will bring composure and leadership to the group and we are delighted to have him with us this season.

George Thewliss - George is a young midfielder who came through the ranks at Leeds United and Bradford City. Played for Silsden when they won the NCEL Premier Division Title in the 24/25 season . George now in his second season with the club is a very competitive and talented midfield player

Nathan Dyer - Nath is an exciting, pacy wide player who spent a number of years at York City making a number of first team appearances. Nathan rejoined us last season after a spell at Bridlington Town, also had previous experience at Grantham Town, and Whitby Town

Riley McGinty - Young, local midfielder who joined us last season from Scarborough Athletic. Riley has now established himself as a vital part of the squad.. Competitive and good on the ball, he provides real competition in the middle of the pitch.

Ben Leyland - Ben joined us in the 2024-25 season he has previously played for North Ferriby . Ben is a very versatile player and can play in numerous positions and his a very important member of the squad never let us down.

Cameron Blackburn - Joined us in February 2026 from Bridlington Town on a dual registration a promising young Midfield player /striker

4

Forwards

Michael Coulson - Coulo has joined the Pikes from Bridlington Town with a experienced career with Scottish Premier club St Johnstone, York City and Scarborough.

Souleymane Coulibaly - The former Ivory Coast U17 International has a wealth of experience having played for Siena and Tottenham Hotspur, Peterborough United then moving to Kilmarnock in the Scottish Prem. Often capable of the unexpected he will be looking to light up the league this season and pass on his experience to the group.

Joel Marsden - A talented youngster who joins on a dual registration from Bridlington Town.

Emmanuel Martin - A talented youngster who joins on a dual registration from Bridlington Town.

Charlie Thompson - Charlie is a young exciting striker - he joined us last season from Tadcaster Albion having previously been at Doncaster Rovers Academy

Charlie Colley - Charlie a young exciting stiker, joins us from Scarborough Athletic where he has been a prolific goalscorer for the Reseves.

RETFORD FC

The early years

Retford FC were formed in 2015 by Chris Woodhead and Kev Swannack.

Their vision for the club was that it would become a club where local footballers would be given the opportunity to develop and play at a good standard of non-league football. They began their existence in the 2015-16 season in the Central Midlands League North.

The clubs' first ever competitive game seeing them win 2-0 at Dinnington Town with a brace from Will Tomlinson. During the season Retford would enjoy victories over eventual champions Glapwell and the side that would go on to be promoted Ollerton Town, as they finished 7th in their inaugural season.

Growing the Club

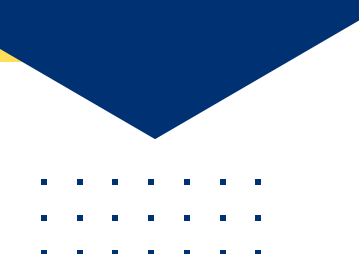

On the field the club improved on their league position of the previous year finishing 6th in the Central Midlands League North. This season included the current record score for the club which was a 15-2 victory away to Welbeck Lions, Will Tomlinson scoring nine goals in the game. A chance of some silverware came in the Floodlit Cup final, but it wasn't to be as Sherwood Colliery triumphed 5-2 in the final at Rainworth's Kirklington Road home. Off the field the club were making plans and at the end of the season they announced an end to the groundshare with rivals Retford United as they moved to a new home.

Chris, Kev and a band of volunteers built the changing rooms and added railings and hard standing to bring our new home up to required standard. Retford began the 2017-18 season with a victory in the first game at their new home 'The Rail', beating Tideswell United 3-0. They also demonstrated their commitment to local talent with the signing of Retford born goal scorer Adam Scott from Worksop Town. Scott would net 26 times during the season as Retford finished 5th in the league and reached the semi-finals of the league cup. During the season the club would also adopt it's nickname 'The Choughs' another nod towards local history as the chough is feature on the town crest.

Promotion and Development

During a busy summer 'The Rail' underwent huge renovations as covered standing was added as well as a new snack bar and hard standing on 3 sides of the ground. The addition of a small seated stand at the road end of the ground. The club announced plans for floodlights to be installed and also continued their commitment to developing local players by adding an under 21s and under 18s to the senior club as well as merging with Ordsall Rangers to create a junior section.

The floodlights finally arrived in November. The Choughs matched off field success with on field success as they were crowned champions of the Central Midlands League, winning promotion to the NCEL. The season was a phenomenal success as we lost just once all year, finishing the season with 22 wins and 3 draws from 26 games and scoring 112 goals in the process. During the season Retford beat title rivals Clay Cross Town 4-1 and 5-3 as well as hammering big spending local rivals Retford United 5-0 in the Retford derby, Will Tomlinson scoring a hatrick to the delight of the 706 crowd.

Looking Forward

Refusing to stand still the club has made further improvements to the Rail with the addition of 250 seats, completed hard standing on all four sides of the ground and a new hospitality suite. The junior section has grown from 4 teams to 16 and we have also added a Ladies team and Girls teams.

2022/23 saw Retford miss out on the play-off's on the final game of the season, but there was joy for both the Ladies and Veterans sides who both won their respective league titles with the Veterans completing a league and cup double.

2024/25 saw a new era for the club with the lateral move to the United Counties League Division One.

The club made strides off the field with a new hospitality suite and major ground improvements that were unveiled in a game against Manchester United Legends in June 2024.

After successful seasons in the NCEL, further improvements to the ground including a stand in the name of much-loved club stalwart Martin "Buster" Keeton and a new committee room, the club continues to grow with a committee working hard to deliver the ethos of giving back to the local community, a growing fan base and an ambition to continue to grow 'Our Local Club'.

History Made

2024/25 the club were 90 minutes away from promotion, finishing second in the league they made it to the UCL Play Off Final where they were defeated by Blackstones FC.

The club went one better in 2025/26 by winning the UCL Division One Championship – made sweeter with the title win coming after a 2-2 draw at rivals Retford United.

With promotion guaranteed to Step 5 football making club history, the FA announced their allocations for 2026/27 and Retford were moved into the NCEL Premier Division as a new adventure begins.

Health & Safety Procedure

Pickering Town Community Football Club, hereafter known as the Club, is committed to ensuring the health, safety and the welfare of its Members, Playing Staff, Spectators and Visitors, so far as is reasonably practical. The club fully accepts its responsibilities under all subsequent health and safety legislation introduced for ensuring the health, safety and welfare of those affected by the club activities. It is the policy of the club to prevent accidental loss through personal injury, ill health and damage to property throughout and to continually promote a proactive health and safety

culture within the club. in so far as reasonably practical. the club will ensure a healthy and safe environment in which to pursue the club's objective. Every individual has a personal responsibility to take all reasonable precautions to ensure their own safety and that of others.

Please note that cycles and skateboards are not allowed within the ground on Football match days.

Code of Conduct for Spectators

Spectators have a great influence on player's enjoyment and success in football. All participants play football because they first and foremost love the game-it's fun. It is important to remember that however good a player becomes at football within your club it is important to reinforce the message to spectators that positive encouragement will contribute to:

Players Enjoying Football | A sense of personal achievement
Self-Esteem | Improving the Player's skill

A spectators expectations and attitudes have a significant bearing on a player's attitude to:

Other Players | Officials | Managers | Spectators

Ensure that spectators within your club are always positive and encouraging towards all players not just their own. Encourage spectators to:

Applaud the opposition as well as your own | Respect the referees decision | Give attention to each of the players involved in football not just the most talented | Give encouragement to everyone to participate in football | Ensure that spectators within your club agree and adhere to your club's Code of Conduct Policy.
