## Game Preview

Pickering Town v Dearne & District  
NCEL League Cup Second Round

Tuesday night sees us take a rest from league action when we entertain Dearne & District in the League Cup.

This will be their first visit to Mill Lane but it won't be long before they are back as they return next Tuesday for a league game.

As a preview and as it's a League Cup tie I thought a look back at each clubs record in the competition over the seasons would be appropriate

Dearne & District's first venture in the competition was in the 2024-25 season, the year they first joined the league.

### 2024-25

LC 1 - Maltby Main 0 Dearne & District 5 - Goalscorers Justin Circuit (3), Bayley Lowe, Joshua Dacre.

Justin Circuit is still a member of their squad this season

LC 2 - Dearne & District 3 Barton Town 4  
Goalscorers for Dearne - Brandon Burke, Jack Waldron, Benjamin Dyer

The following season 2025-26 they went out in the first round  
Dearne & District 0 Selby Town 1

Our record in the league cup is rather unspectacular,.

2016-17 - Premier Division clubs got a bye to the third round  
LC 3 Hall Road Rangers 0 Pickering Town 2 (Lewis Taylor, Ged Dalton)

LC4 Bridlington Town 3 Pickering Town 1 (Nick Thompson)

2017-18 -  
LC3 Pontefract Collieries 4 Pickering Town 3 (Billy Logan, Lewis Taylor (2)

And more recently - Premier Division clubs starting in Round 2

2023-24 - LC 2 Pickering Town 4 Golcar United 1  
Pickering's goalscorers - Kieran Stares (2) Robert Guilfoyle, Nathan Dyer

LC3 Rossington Main 1 Pickering Town 1 (Kieran Stares)  
Rossington won 8-7 on penalties

### 2024-25

LC2 Pickering Town 2 Harrogate Railway 0  
Goalscorers - George Brown, Harley Dawson)

LC3 Beverley Town 0 Pickering Town 0 Beverley won 4-2 on penalties

### 2025-26

LC2 Penistone Church 1 Pickering Town 2 - George Thewlis (2)

LC3 Pickering Town 2 Liversedge 3  
Goalscorers - Joe Wood, Souleymane Coulibaly

# Programme Ramble

This weekend sees the return of the FA Cup with the 3rd Qualifying round games being played - Barton Town are representing the NCEFL when they entertain National North side Chorley - other Step 5 clubs still involved in the competition include SE Dons from the Southern Counties East League Premier Division - Trafford FC from the North West Counties League Premier - Tadley Calleva who compete in the Cherry Red Records Combined Counties Football League -

On paper Barton look to have the most difficult task when they play Chorley - Of the other teams -Trafford play Atherton Collieries from the NPL West Division - South East Dons travel to Southern League Division 1 South (Step 4) side Weymouth FC - although Weymouth have suffered successive relegations they are currently sitting at the top of their league - Tadley Calleve entertain Isthmian Premier Division (Step 3) side Dartford FC - looking at the season's results to date Trafford FC would seem to have best opportunity to progress, but as we all know about football results!!!

Back to the NCEFL and Barton Town who beat us on Tuesday are now up to 5th place in the league and with games in hand over the teams above them - having reached the play offs last season they would have been one of the pre-season favourites to be challenging - but looking at top half of the league currently you probably wouldn't have predicted the it as it sits at the moment, with two of the top seven - Bottesford Town 2nd at present and Horbury Town 7th - flirting with relegation right to the end last season.

It will be interesting how the league looks at the end of the month with a lot of games to be played in the next few weeks.

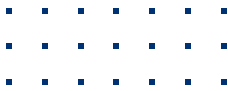

As the title says it is a ramble and a story I picked upon during the week was the trip made by Salisbury FC this week to Kuwait - this trip came about through the owner Ali Alhamad who bought the club in 2025.

The five-day trip involved the club facing one of Kuwait's most successful teams on Wednesday, Al Qadsia, who have won more than 50 trophies, before returning on Thursday to play Saturday's FA Cup third qualifying round against Dulwich Hamlet.

The club hopes the trip will offer significant commercial growth

Why is this story of interest only because Salisbury FC are managed by Brian Dutton and have been since 2022 - Brian is a Malton lad and previously played for Pickering in 2001-2003, 2004-05 seasons before transferring to Weymouth, - another club mentioned in this ramble, and there's a story there but that's for another day.

# Pickering Town Club History

Pickering Town FC, founded in 1888, spent nearly 80 years playing local football before joining the Yorkshire League in 1972. The club quickly progressed through the divisions, later becoming members of the Northern Counties East Football League (NCEFL).

The Pikes won the NCEFL Division 2 title in 1987–88 and claimed their first major senior trophy in 1990–91 by winning the North Riding County Cup.

Promotion to the NCEFL Premier Division followed in 1991–92, and the club narrowly missed out on the title the next season. Pickering also made its FA Cup debut in 1993–94 and reached the FA Vase quarter-finals in 2005–06.

The club won the North Riding Senior Cup again in 2012–13. After finishing as NCEFL Premier Division runners-up in 2015–16 and 2016–17, Pickering earned promotion to its highest level of senior non-league football. However, difficult seasons followed, including two curtailed campaigns during the COVID-19 pandemic and relegation from the Northern Premier League in 2021–22.

Since returning to the Northern League and then the NCEFL Premier Division, the club has faced several relegation battles, finishing second bottom in 2023–24 but retaining its place. The following season brought improvement, with Pickering finishing 10th after briefly challenging for the play-offs. Off the pitch, Mill Lane has been significantly developed with floodlights, seated stands, covered areas and improved changing facilities.

The club is also investing in its future through a scholarship programme, junior teams and the formation of a women's team competing in the North Riding Division 1 League.

# DEARNE & DISTRICT FC

## *Dearne & District – A brief history*

The club was founded in 1982 as a youth team for the Rotherham area. In 2018 an adult side was formed and joined Division One of the Doncaster Senior League. After finishing third in their first season in the league, the club were promoted to the Senior Division. In 2021 they transferred to the North Division of the Central Midlands League. They were North Division runners-up in 2022–23, and after the league merged with the Midlands Regional Alliance, they were placed in the Premier North Division.

Mick Norbury was appointed manager in May 2023, but resigned in September despite the club winning their first eight games of the season. Jason Blunt was then appointed manager, extending the winning streak to 13, after which they applied for promotion to the North East Counties League. Promotion was secured by winning the Premier North Division title.

In August 2024, Dearne mutually parted company with Blunt, appointing former Saint Kitts and Nevis international player Zephaniah Thomas as their new manager in their maiden season in the Northern Counties East League Division One. Their second season at step 6 saw them promoted to step 5 as champions.
